Credit Union ONE Charity Casual Day Brings Out Football Rivalries Children's Miracle Network to Benefit

Ferndale, Michigan – In the spirit of competition and community, Credit Union ONE held a charity casual day to benefit the Children's Miracle Network (CMN) on Friday, October 2, 2009. The competition really heated up when employees of the credit union were allowed to wear either University of Michigan or Michigan State University apparel in honor of the annual big game, which was held on Saturday, October 3, 2009.

This was an excellent way to contribute funds to an organization that has done so much for children and children's health, and at the same time give the employees a chance to have some fun with each other.

"Due to the generosity of our employees, we are making a contribution to the Children's Miracle Network of \$569.00", said Gary Moody, President/CEO of Credit Union ONE.

"Credit unions have been involved in raising money for CMN for over ten years. The nice thing about this charity is that money raised locally goes to local children's hospitals designated by CMN. This gives Credit Union ONE the opportunity to

contribute to the CMN hospitals in Michigan which are: William Beaumont Hospital in the metropolitan Detroit area, DeVos Children's Hospital in Grand Rapids, Hurley Medical Center in Flint, and Sparrow Children's Hospital in Lansing".

Credit Union ONE, headquartered in Ferndale Michigan for over seventy years, offers a wide array of financial services and access to over 25,000 ATM's nationwide, serving 118,000 members, in three major metropolitan areas, including Metro Detroit, Grand Rapids and Traverse City.
