Credit Union ONE Renews Its Investment in Detroit Hospitals Detroit Receiving Hospital Branch Gets a Fresh New Look

Ferndale, Michigan – Credit Union ONE is pleased to announce the grand re-opening of its newly remodeled branch office located at the Detroit Receiving Hospital on the Detroit Medical Center campus.

Credit Union ONE has served the financial needs of the Detroit Medical Center community for over 30 years. The relationship began in 1976 when the credit union was asked to offer payroll deduction service to Hutzel Hospital employees as a part of their employee benefit program. In 1981 the credit union expanded its service to other DMC employees and opened a branch office at the new Detroit Receiving Hospital on the DMC campus.

Today, the fresh new look of the full-service branch will be a welcome and pleasant place for employees of the Detroit Medical Center, the Barbara Ann Karmanos Cancer Institute and several affiliate organizations of the DMC to conduct all their financial business right on the campus where they work.
