Credit Union ONE OFFERS FREE INCOME TAX SERVICES

Statewide Program Aims to Help Families Claim Refunds, Credits

Ferndale, Michigan – With many Michigan residents facing economic woes and struggling to make ends meet, a little extra cash can make a big difference. That's why credit unions have joined forces to promote *Just File It! We'll Help. Free State and Federal Tax Preparation Resources Provided by Credit Unions*, a web-based program that allows families and individuals to file for state and federal tax credits that often go overlooked. This includes the Earned Income Tax Credit (EITC), which can be as high as \$5,600 for low-income, working households.

Over 100 Michigan credit unions, including, Credit Union ONE are promoting *Just File It!* to their membership. The *Just File It!* program returned over \$10.3 million to individuals and families last year. "The need for a program like *Just File It* is greater than ever," said Gary Moody, President /CEO. "Which is why Credit Union ONE is proud to join the network of credit unions and other nonprofits offering *Just File It* to help families put food on the table, move into better housing, invest in education or save for the future."

The Michigan Poverty Law Center is a joint project of Legal Services of South Central Michigan (LSSCM) and the University of Michigan Law School (UMLS). MPLP is funded in part by the Michigan State Bar Foundation (MSBF).
