CREDIT UNION ONE SPONSORS OAKLAND UNIVERSITY ATiB INTERNSHIPS

Ferndale, MI – Credit Union ONE (CUO) recently sponsored internships for two students in the Applied Technology in Business (ATiB) program at Oakland University, Rochester, Michigan.

The ATiB Program is a unique program, which combines a rigorous education with hands-on training in the application of information technology in business. Part of the program is dependent upon corporate sponsorships, which allow students to work on projects in the corporate world and enhance the breadth of a student's knowledge.

Oakland University students Maher Faik and Michael VanHese were chosen to receive internships at CUO for 2008/2009, where they are involved in developing an information technology intranet site for the credit union.

Mr. Faik, a senior from Rochester, Michigan will be graduating in May 2009 and was an ATiB intern at CUO last year. His major is in Accounting with a minor in Applied Technology in Business.

Mr. VanHese, also a senior from Rochester Hills, Michigan will be graduating in May 2009 with a major in Management Information Systems.

CUO has participated in the ATiB Program since 2003. According to Mr. David Breuer, Senior Vice President and Chief Information Officer at CUO, "It is a great benefit to both CUO and the Information Technology Department to have students like Faik and

VanHese participate in the program. These students bring new ideas, concepts, and enthusiasm to the projects they work on, and add additional resources to the projects. The real-world projects and experience that these students receive will benefit them immensely when they begin their careers upon graduation.”

Credit Union ONE, headquartered in Ferndale Michigan for over seventy years, offers a wide array of financial products and services with access to over 25,000 surcharge free ATM's nationwide, serving 117,000 members, with nineteen offices in Metro Detroit, Grand Rapids and Traverse City, Michigan. For more information go to www.cuone.org.
