Michigan Based Credit Union ONE Celebrates 70 Years Of Serving Members' Financial Needs

Ferndale, Michigan – Credit Union ONE celebrates a milestone 70th year anniversary in 2008 with member appreciation activities, including refreshments and special giveaways for members throughout the month of October.

Credit Union ONE was originally established in 1938 as the Ferndale Co-Op Credit Union and later changed its' name to better reflect the open field of membership making it possible for anyone to join. Credit Union ONE has grown and changed over the years, but the basic credit union philosophy and business principles they operate under remain the same today.

“We’re a community-chartered credit union. Our mission is to serve our members’ financial needs,” said President/CEO Gary Moody. “People who do business with us know who they are doing business with.”

As Credit Union ONE celebrates its 70th anniversary year their focus is on the reason why people become a member –convenience, ease, affordability and dependability – and how its services and products have evolved over the years in response to the needs of its members.

Credit Union ONE, headquartered in Ferndale Michigan for over seventy years, offers a wide array of financial products and services with access to over 25,000 surcharge free ATM's nationwide, serving 117,000 members, with nineteen offices in three major metropolitan areas, including Metro Detroit, Grand Rapids and Traverse City Michigan.
